Remplir les champs encadrés

Select template

- Create user**
Create a new user in your organization.
 - Invite user**
Invite a new guest user to collaborate with your organization.
 - Create Azure AD B2C user**
Create a new user in your organization. This user has a unique username.
- [Help me decide](#)

Dans Groups and Roles,

Bien sélectionner un groupe si besoin et/ou un Role si besoin

Dans cet exemple, l'utilisateur est un prestataire qui nous a confirmé qu'il a besoin de gérer les applications donc il est Application Admin.

Si on vous demande Global Admin, faire confirmer les besoins réels et validé par le DSI (ou équivalent) en lui expliquant les impacts

Groups and roles

Groups **0 groups selected**

Roles **Application administrator**
